The global business founder's workshop

BY TEAM PEAMEV

As an industry leader and potential global citizen, we understand your desire to enhance your brand's visibility in global markets. Our interactions with 80% of industry leaders like yourself have revealed a common aspiration: to expand their businesses into more developed regions where their services and products have greater potential to thrive. These leaders aim to join the select few immigrant brands generating ten-figure turnovers annually, granting them opportunities to secure second passports for themselves and their families in the long run.

We offer you the chance to achieve these goals and more by registering as a delegate for the Global Business Founder Workshop. With great enthusiasm, we introduce our upcoming workshop, the Global Business Founder Workshop, powered by Peamev Consult Ltd, a brand registered and trademarked in Nigeria specializing in travel and business consulting services.

The GBFW scheduled to hold on the 4th of May, 2024 at the prestigious Eko Hotel and Suites will;

EYE OPENER

Serve as an eye opener to entrepreneurs (existing and new) who intend to set up new businesses, expand their already existing business operations by opening branch offices, pioneer innovative businesses e.t.c

CREATE OPPORTUNITIES

Promote cultural & economic relations, encourage legal migration, promote inclusivity & diversity and create growth opportunities for both young and older people

Starting a business in a new country involves navigating a range of challenges and considerations. As a firm, we are not only passionate about you meeting your business immigration goals but much more passionate about them making informed decisions on a life changing course as this is.
